

Adult Instructor Training

Overview/Description

This course provides candidates with techniques to effectively deliver lessons to adult learners. Material covers adult learning theory, an introduction to lesson planning, presentation strategies, and effective use of multimedia.

A large part of this course is focused on candidates presenting to small groups with a mentor and group feedback.

Target Audience

Forestry Division employees responsible for delivering training. Other government agencies may apply. In the event of oversubscription, those currently delivering training will be given preference.

Prerequisites

There are no prerequisites.

Registration

Forestry Division employees can register through your local training contact.

Individuals outside of Forestry Division, please contact your local or Provincial training contact.
