

S131 Online Module 13: Air Tanker Operations (CIFFC)

Overview/Description

This course covers types and uses of airtankers, hazards to ground crews and procedures if accidentally caught in a drop zone. S-131 online units cover content found in Wildfire Crew Member Training. The training aligns with the Canadian Interagency Forest Fire Centre (CIFFC) standards to ensure consistency and interoperability across provincial and national wildfire operations.

Target Audience

- Forestry Division employees
- Alberta Fire Departments
- Forestry / Other Natural Resource Industries

Prerequisites

There are no prerequisites.

Registration

- Forestry Division employees can register following instructions on the [Forestry Division Training SharePoint](#).
