

S131 Online Module 4: Fire Suppression (CIFFC)

Overview/Description

This course provides an overview of suppression techniques and fundamental wildfire definitions. Other topics include safe use of direct and indirect attack and basic steps of fire suppression. S-131 online units cover content found in Wildfire Crew Member Training. The training aligns with the Canadian Interagency Forest Fire Centre (CIFFC) standards to ensure consistency and interoperability across provincial and national wildfire operations.

Target Audience

- Forestry Division employees
- Alberta Fire Departments
- Forestry / Other Natural Resource Industries

Prerequisites

There are no prerequisites.
