

# S131 Online Module 9: Heavy Equipment (CIFFC)

## Overview/Description

This course covers types of heavy equipment used on wildfires, hazards and safe work practices when working around heavy equipment. S-131 online units cover content found in Wildfire Crew Member Training. The training aligns with the Canadian Interagency Forest Fire Centre (CIFFC) standards to ensure consistency and interoperability across provincial and national wildfire operations.

## Target Audience

- Forestry Division employees
- Alberta Fire Departments
- Forestry / Other Natural Resource Industries

## Prerequisites

There are no prerequisites.

## Registration

- Forestry Division employees can register following instructions on the [Forestry Division Training SharePoint](#).
- Fire departments can get registration information from AEMA WUI
- Forest/Natural Resource Industries can get registration information from their local Forest Area contact or by contacting [htc.online@gov.ab.ca](mailto:htc.online@gov.ab.ca)
