

Helicopter Coordinator

Overview/Description

The course will provide insight and direction into the roles and responsibilities of the Helicopter Coordinator (HLCO), aircraft specifications and utilization, and aerial firefighting strategies and tactics using helicopters. The emphasis is on safe, efficient and consistent aerial firefighting operations.

Target Audience

Forestry Division employees. Certified Strike Team Leader or Task Force Leader.

Prerequisites

- Incident Command System I-200 course.
- Air Support Management course.

Registration

Forestry Division employees register through your local training contact.

Individuals outside of Forestry Division, please contact your local or provincial training contact.
