

Introduction to WHMIS for the Worker

Overview/Description

Through an introduction to WHMIS 2015 (Workplace Hazardous Materials Information System), candidates will discover where to find the information needed to help keep everyone safe and healthy at work.

This course provides an overview of:

- Employer and worker responsibilities
- WHMIS labeling requirements
- WHMIS symbols
- Hazard classifications
- Workplace labels
- Safety data sheets

Target Audience

Forestry Division employees.

Prerequisites

There are no prerequisites.

Registration
