

# Safety Officer

## Overview/Description

The Candidates will be instructed on general responsibilities and specific duties expected in the role of a Safety Officer assigned to a wildfire.

Topics include:

- Identifying and responding to hazards and incidents, working with the IMT and developing safety plans. Candidates will be working directly with the Safety Officer reference material.

## Target Audience

Employees or individuals contracted by Wildfire Management Branch (WMB), who meet the prerequisites and will be activated in the role of Safety Officers or Safety Officer Assistants.

Certified Strike Team or Task Force Leaders will be given priority.

## Prerequisites

Valid certification in:

- Transportation of Dangerous Goods TDG (air and ground).
- Online WHMIS

## Registration

Forestry Division employees register through your local training contact.

Individuals outside of Forestry Division, please contact your local or Provincial training contact.
