a Includes all students registered in Grade 9 and ungraded students in year 9 of schooling. School Authority results do not include students in home education programs.

b Includes students who were absent for the entire test or part of the test, and those who wrote but whose results were withheld.

c Includes students who were absent, excused by the superintendent, or who wrote but whose results were withheld. It is possible that some students, under different circumstances, could have demonstrated standards on the test.

* Due to the COVID-19 pandemic, no reportable data is available for the 2020/2021 school years.

** Security breaches occurred over last few days of the 2021-22 PAT administration window. To maintain the validity and comparability of provincial results, students most likely impacted by these security breaches have been excluded from the provincial cohort. However, all students have been included in school and school authority reporting and, therefore, caution should be exercised when interpreting these results.

***Participation in the Provincial Achievement Tests was impacted by wildfires in 2022/23 and 2023/24. Caution should be used when interpreting trends over time for the province and those school authorities affected by these events.

** Security breaches occurred over last few days of the 2021-22 PAT administration window. To maintain the validity and comparability of provincial results, students most likely impacted by these security breaches have been excluded from the provincial cohort. However, all students have been included in school and school authority reporting and, therefore, caution should be exercised when interpreting these results.

***Participation in the Provincial Achievement Tests was impacted by wildfires in 2022/23 and 2023/24. Caution should be used when interpreting trends over time for the province and those school authorities affected by these events.
