

Alberta Advantage Immigration Program Use of Representative Form

The personal information collected through the Alberta Advantage Immigration Program is collected for purpose of administering the program. This personal information collection is authorized by section 33(c) of the *Freedom of Information and Protection of Privacy Act*. If you have any questions about the collection of personal information, you may contact the Operations Manager at 780-638-2843, using the Opportunity Alberta contact form at www.alberta.ca/contact-opportunity-alberta or by mail to Alberta Advantage Immigration Program, Suite 940, ATB Place North Tower, 10025 Jasper Avenue, Edmonton, Alberta, Canada, T5J 1S6.

You must use this form:

- **For online portal applicants only:**

- If you used an unpaid representative to assist in preparing your application, you and your representative must declare they were not compensated to assist you in preparing your application. **See section B.**
- To add a representative to act on your behalf with the Alberta Advantage Immigration Program at the time you submit your online application. **See section C.**
- Note: Self-Employed Farmer Stream applicants must fill out the Use of Representative section on the Alberta Advantage Immigration Program 004 form to authorize a representative at the time of application.

- All streams

- To add a representative to act on your behalf with the Alberta Advantage Immigration Program for an existing application. **See section C.**
- To remove a representative and represent yourself from an existing application. **See section C.**
- To change from one representative to another representative on an existing application. **See section C.**

Read the **Alberta Advantage Immigration Program Policy on Use of Representatives** found below before submitting this form. If authorized, the representative will do business with the program on your behalf.

You do not need to use a representative to use the Alberta Advantage Immigration Program online portal or complete forms. The online portal, forms and information that you need to submit an application to immigrate to Alberta are available for free. If you follow the instructions online, you can complete the application on your own.

If you have been nominated by Alberta:

- the Alberta Advantage Immigration Program will update your file with the change to your representative. The program will not issue a new nomination certificate or make changes to the one already issued to you.
- you must also notify Immigration, Refugees and Citizenship Canada (IRCC) of all changes to your representative.

A. Alberta Advantage Immigration Program Policy on Use of Representatives

What is a representative?

Representatives give immigration advice and help prepare immigration forms, including for the Alberta Advantage Immigration Program. They can be paid or unpaid. Representatives include:

- immigration consultants
- lawyers, or
- other representatives (such family members, friends, non-profit groups and religious groups).

A person who is paid to give you immigration advice or to assist you in filling out your Alberta Advantage Immigration Program application must be authorized to act as a representative for the purposes of the Alberta Advantage Immigration Program.

Representatives Authorized for the Purposes of the Alberta Advantage Immigration Program

The Alberta Advantage Immigration Program will only conduct business with a representative who is authorized under this policy. Only the following persons are authorized to be representatives for the purposes of the program:

- a person who is not paid; or
- if paid, a member in good standing of a provincial law society, the Chambre des notaires du Québec, or the College of Immigration and Citizenship Consultants (CICC) (formerly Immigration Consultants of Canada Regulatory Council (ICCRC)).

No other person may be paid to provide immigration advice or to help prepare immigration applications. Any person not authorized to be a paid representative for the purposes of the Alberta Advantage Immigration Program is an unauthorized representative and must either become authorized or refer you to someone who is.

Payment includes remuneration or compensation in any form, and can be a benefit other than money that is made now or in the future. Payment can be direct or indirect. Even if the person who provides immigration advice or assists with an Alberta Advantage Immigration Program application is being paid or compensated by someone other than you (the Candidate), the person is still considered to be a paid representative.

Declaring the Use of a Representative

In the Alberta Advantage Immigration Program portal or the Self-Employed Farmer Stream application form, you must tell the program whether any person provided you with immigration advice or assisted you with your Alberta Advantage Immigration Program application. If a person did, they must provide their information to the program and sign a declaration. You may also authorize this person to conduct business on your behalf with officials of the program.

If a person provided you with immigration advice or assisted you with your Alberta Advantage Immigration Program application and you do not tell the program, this is considered to be false and misleading information and your application may be refused or your nomination may be withdrawn and you may be banned from the Alberta Advantage Immigration Program for an unspecified period of time.

If you decide to use a representative for your Alberta Advantage Immigration Program application, understand that:

- Your application will not be given special attention or guaranteed approval if you use an immigration consultant or lawyer or other representative.
- The Alberta Advantage Immigration Program cannot guarantee the accuracy of interpretations by other persons.
- You should never follow advice to use false documents or make false statements on your Alberta Advantage Immigration Program forms or in the online portal. This will result in your application being declined or your nomination withdrawn and you may be banned from the program for an unspecified period of time.

Other important information about using a representative

To confirm an immigration consultant is a member in good standing, you can check the person's status on the College of Immigration and Citizenship Consultants (CICC) website using the Find an Immigration Consultant link at <https://college-ic.ca/protecting-the-public/find-an-immigration-consultant> before using their services.

To confirm a lawyer is a member in good standing, you can check a lawyer's practice status on the website for the law society of the province in which the lawyer is practicing before using their services. A list with links to Canada's 14 provincial and territorial law societies (including the Chambre des notaires du Québec) is available on the Federation of Law Societies of Canada website at <https://flsc.ca/about-us/our-members-canadas-law-societies/>

You can look up the lawyer in the lawyer directory on each provincial/territorial law society website (usually found in a section “for the public”) and get information on the lawyer’s current practicing status with the society.

If you have a complaint about unprofessional conduct by an immigration consultant, you may contact the College of Immigration and Citizenship Consultants (CICC).

If you have a complaint about unprofessional conduct by a lawyer, you may contact the provincial/territorial law society where you received services. For information on reporting a complaint about an unauthorized representative, see the Immigration, Refugees and Citizenship Canada (IRCC) website at <https://www.canada.ca/en/immigration-refugees-citizenship/services/immigration-citizenship-representative/file-complaint-against-representative.html>.

There are internet scams and false websites. The official Government of Alberta website is <http://www.alberta.ca>. Other websites may appear to be official government websites, but the information they contain may be inaccurate.
