Sharon Wilson is a Chartered Mediator, a national designation, and a graduate of the Justice Institute of British Columbia (1992). As one of the first formally trained Mediators in Alberta, Sharon has pioneered in the field of interest-based principled conflict resolution; developing processes, providing services as a conflict specialist, providing training and designing systems within organizations in both the public and private sector. Sharon has been in business for over 40 years, as a principal of Resources International Consulting & Training, providing service facilitation and mediation services and for 26 years a post-secondary Instructor in Conflict Resolution Programs at Colleges and Universities. Sharon has been working fulltime specializing in dispute resolution for 32 years mediating, facilitating, training/instructing, coaching, and consulting.
