---

A Capacity Assessment Report (CAR) – Form 4 is required if:

- It is stated in the existing order that a review must be completed, OR
- There has been a change in the capacity of the represented adult that is resulting in,

If a new Capacity Assessment Report (CAR) – Form 4 is required, it is completed by a physician, psychologist or a registered capacity assessor.

Item 13 will indicate what areas of decision making you will be applying for in your application.

The legislation requires that the CAR – Form 4 must not be dated more than 6 months before the date the application is submitted.

If you are using an older CAR, explain why you are not using a current report and request the court to accept the older report:

- If you are wanting to remove someone as a trustee or alternate trustee you must also ask to ‘discharge’ that person by checking the applicable box and entering their name(s) and position(s).

6.2 If granted, a trusteeship order applies to all of the represented adult’s real and personal property within Alberta. This area of the form is asking you to indicate if you are asking the court to give any special authority or direction or to impose restrictions or conditions on your authority beyond what would be typical in a trusteeship order. If you check Yes, check the appropriate boxes and provide the indicated information which applies to your circumstances.

**NOTE:** If there will be 2 or more trustees (not including alternate trustees), they will be required to act jointly unless a request to authorize the trustees to act separately is made in Item 6.2.

  - Do not check '*This section is not applicable to the application*' if – for some reason – you are asking the court to **not** notify a person or persons listed on the application. Complete sections 9.1 and/or 9.2. You will need to explain your reasons in your affidavit.
