Alberta Snapshot

Tamarack Brewing Company and Alehouse started brewing and packaging craft beer in September 2007 in Lakeside, Montana. They brewed 380 barrels of beer in their first year of business and are up to 4,400 barrels per year. In 2011, Tamarack opened a second location in Missoula.

Founded by the family of Lanny McDonald, an Alberta-born and based hockey legend, Tamarack Brewing Company prides itself on bringing people together with great food, great beer, great mustaches, and a commitment to their local community.
