Alberta Snapshot

Calgary, Alberta-based Graham Construction is one of North America's top integrated construction solutions partners with over \$4.1 billion in revenue annually. The company employs more than 2,700 people in 23 offices across North America, including one in Omaha, Nebraska.

Since 1926, companies, owner-occupants, and public organizations across the continent have depended on Graham Construction's reliability and integrity for projects ranging from smaller building renovations to complex building design. A 100% employee-owned company, Graham Construction prides itself on its community involvement, working consistently with local suppliers and subcontractors, communicating with local organizations and residents for longer-term projects, and directly engaging in community investment programs.
