

IQAS Specialized Certificate

Example of a specialized certificate from the International Qualifications Assessment Service

IQAS Letterhead

Name: **Last Name, First Name**
File Number: **2000003**

Personal information of client

IQAS assessments are based on a standard methodology, which includes an examination of documents for authenticity, recognition of educational institutions, country educational profiles, and individual educational standing.

LEVELS OF ACHIEVEMENT OUTSIDE OF CANADA

Credential Name: Bachelor of Science
Year Awarded: 2011
Issuing Body: Guru Nanak Dev University
Country of Education: India
Program Description: Three-year undergraduate degree program

Information about the credential

This assessment was conducted using photocopies of the original documents.

COMPARATIVE LEVELS OF ACHIEVEMENT IN CANADA

The Bachelor's degree generally compares to the completion of a three-year Bachelor of Science degree.

DESCRIPTION OF POST-SECONDARY COURSE WORK

Listed below are the courses completed in the Bachelor of Science degree program, as identified from the transcript submitted to IQAS. For transcripts not issued in English, the course titles are taken from the English translations provided. IQAS is not responsible for the accuracy of translations, English usage, or professional terminology.

| Study Period | Course Title | Credits |
|---------------|--------------|---------|
| Sem 1 | English | 3 |
| | Biology | 3 |
| | Chemistry | 3 |
| Total: | | 90 |

Evaluation Remarks:

Only courses for which a **passing grade** was achieved are included in the above table.

Credits, unless otherwise indicated, refer to post-secondary level study. Completed credits are calculated by converting the number of instructional hours or the original credits for each course into comparable Alberta credits. In Alberta, three credits represent the average weight for one course in a semester and thirty credits represent the average weight for one year of full-time study.

International Qualifications Assessment Service

Date Completed: October 23, 2024

A table listing post-secondary subjects completed and hours or credits for each post-secondary course. Hours are listed as they appear on the documents presented and not converted to credits.

A general statement about how your education compares to education in Canada.
