

INCLUDE IN ALL HIGHWAY AND COMBINED HIGHWAY AND BRIDGE TENDERS; DO NOT INCLUDE IN BRIDGE-ONLY TENDERS

This Special Provision should follow Subsection 3.5, “Scope of Work”, in the tender document.

Consultants to customize the Special Provision for highway construction materials (not bridge construction materials) which the Project Sponsor intends interim payment for supply of materials be permitted where interim payment is not addressed elsewhere in the Contract or Specifications. (Bridge construction materials are not to be listed in the Special Provision as the Standard Specifications for Bridge Construction contain interim payment clauses for bridge construction materials).

3.6 INTERIM PAYMENT FOR SUPPLY OF MATERIALS

Pursuant to Section 1.12, Interim Payment for Supply of Materials under Supplements, Amendments, Modifications and Provisions, of the General Specifications and Specification Amendments for Highway and Bridge Construction, AMC_C218, the Contractor may request interim payment for the supply of the materials listed below:

...
...
...

Further to AMC_218, interim payments will be based on actual Supplier invoices, or 75% of the applicable bid item incorporating the materials; whichever is less.
